

GREEN GLOBE(Rural Development Organisation)

Sarupeta: Barpeta.

Annual Report for the year 2018-19

- I) Our NGO basically has been entrusted in Sanitation and Drinking water , though we have done several other rural development works. In this year with the help of District Water Supply and Sanitation Committee of Barpeta District we have done an awareness campaign of Nirmal Bharat Abhijan in Bhowanipur Block Area. In this programme we have distributed book let and leaflets to the rural mass and organise street meeting in regards of stop open defecation. We have also written messages on wall over sanitation
- II) We have also performed a basic survey on using toilets by the villagers of Bhowanipur Block through our members and some rural youths.

Awareness meeting on Sanitation.
